Page 71.7. *If I Could Build My Whole World Around You*

Oh, if I could build my whole world around you, darling

First I'd put heaven by your side

Pretty flowers would grow wherever you walked, honey

And over your head would be the bluest sky

And I'd take every drop of rain

And wash all your troubles away

I'd have the whole world wrapped up in you, darling

And that would be all right, oh yes, it would

If I could build my whole world around you

I'd make your eyes the morning sun

I'd put so much love where there is sorrow

I'd put joy where there's never been love

And I'd give my love to you

For you to keep for the rest of your life

Oh, and happiness would surely be ours

And that would be all right, oh yes, it would

Doo doo doo doo doo, doo doo doo doo

Doo doo doo doo doo, doo doo doo doo

Oh, if I could build my whole world around you

I'd give you the greatest gift any woman could possess

And I'd step into this world you've created

And give you true love and tenderness

And there'd be something new with every tomorrow

To make this world better as days go by

If I could build my whole world around you

If I could build my whole world around you

And that would be all right, oh, yeah
