

## 7A GRAMMAR first conditional and future time clauses

- a Complete the messages with the verbs in the correct form: present simple, imperative, or *will* + infinitive. Use contractions where possible.

**Annie** 20:05

Katie!  
How's it going? I'm studying so hard, but I need a break. Do you want to meet tomorrow evening? We could have a pizza and a chat.  
I <sup>1</sup> *'ll call* \_\_\_\_\_ (call) you when I <sup>2</sup> \_\_\_\_\_ (get) home, OK? xx

**Katie** 20:08

Hi Ali! I'm studying too!!! My history exam is tomorrow afternoon. I'm really worried about it. OK for tomorrow evening, but not too early. I <sup>3</sup> \_\_\_\_\_ (send) you a message when the exam <sup>4</sup> \_\_\_\_\_ (finish). xx

**Annie** 20:09

OK. <sup>5</sup> \_\_\_\_\_ (come) to my place as soon as you <sup>6</sup> \_\_\_\_\_ (can). We can phone for a takeaway pizza :)

**Katie** 20:10

OK. But <sup>7</sup> \_\_\_\_\_ (not phone) the pizza place until I <sup>8</sup> \_\_\_\_\_ (get) there. I might be late.  
I've been thinking, if you <sup>9</sup> \_\_\_\_\_ (be) free when all our exams <sup>10</sup> \_\_\_\_\_ (be) over in a couple of weeks, why don't we go away somewhere to celebrate?

**Annie** 20:11

Great idea! We could go away for a few days to relax!!  
But I <sup>11</sup> \_\_\_\_\_ (not able to) go away unless I <sup>12</sup> \_\_\_\_\_ (pass) all the exams :(  
We can talk about it when we <sup>13</sup> \_\_\_\_\_ (see) each other tomorrow night. xx

**Katie** 20:13

OK. Time to get back to work. If I <sup>14</sup> \_\_\_\_\_ (not study) a bit more tonight, I <sup>15</sup> \_\_\_\_\_ (not have) any chance of passing history tomorrow. Wish me luck!! xx
